

“I have seen Kristina for both Intuitive Readings and her energy Reiki healings. I feel that I absolutely could not have stayed so emotionally stable and worked through the fear from the breakdown of my marriage if it was not for Kristina. Her Reiki sessions really helped bring me to a place of healing, love, and acceptance. Kristina's soft loving energy is truly a gift.

Whether it be an Intuitive Reading to point your in the right direction, Reiki or Counseling, Kristina's is definitely a source you can trust.”
