

'I know it's been a long time since we last spoke. I wanted to start by saying thank you again for everything you did. My life has been going very well! I was speaking to a friend of mine about how when I met with you it really helped me get through my rough patch and how it honestly just helped me discover a lot of things about myself.

You made me feel reassured I wasn't crazy! You're the best and I'll never be able to thank you enough for all you have done!'
